Attendance Changes

Maintaining consistent and prompt attendance is important to one's success at school and on the job. That is why we are working to lower our absentee rate and improve our students' overall attendance. Effective this week, an electronic phone messaging system is being utilized to call home when a student is unexcused from school. To avoid having the Auto-Dialer call your home, simply be sure to contact our Attendance Office on or before the day of your student's absence. If a student's absence is excused by 2:10 on the day of the absence, no call goes out. If you receive a call from the Auto-Dialer, please contact the Attendance Office at 709-7815 as soon as possible to update your student's records.

Testing Schedule

This year's dates for the state-mandated testing are April 23 - May 7, 2002. Our current 9th grade students will participate in the ITED (Iowa Test of Basic Skills) and our 10th graders will complete the WASL (Washington Assessment of Student Learning). We will operate school on a block schedule during that three week window, holding odd numbered classes on one day and even numbered classes on the next, with each class being approximately 110 minutes in length. The tests will be conducted in all 9th and 10th grade English classes. We strongly encourage students to maintain excellent attendance during that time and to focus on performing well on these tests.

BHHS Testing Schedule

The schedule for conducting our WASL and ITED tests is as follows:

April 23, 25, 29, May 2, 6 & 8 = periods 1-3-5
