Hi Laura -

I'm not going to write anything up for your client.
The email that I sent you can do what you wish with it. I have no basis to prohibit you from using it in such a manner.
I do appreciate the professional courtesy of asking though.

Take care,

Mike

Hi Mike,

Thanks for letting me know that the Prosecutor's Office is not filing charges on this matter. Ms. Lee has filed a petition for order of protection and the hearing is early July. Can you send me a document indicating charges will not be filed so I can file that with the court? If you cannot send a document, would you send me an email with permission to file the email with the court? Thanks Mike,

Laura M. Murphy

Hi Laura -

I checked in the Prosecutor's system that tracks pending cases and it appears that I declined to file charges on Troy Lee.
Didn't see anything else in there.
Thanks

Mike

Hi Mike and welcome back! I hope you had a great vacation and are relaxed and refreshed. Makes it hard to come back doesn't it? I just got back from two weeks of skiing and feel like I need another vacation already!

Hey, on Troy Lee you were going to look at the referral from Detective Adams and call me about the case. I know you will be slammed over the next week or two so no rush. I just want to make sure we can talk before you make a charging decision. She has said and done a few things that I wanted to share with you. Thanks,

Laura M. Murphy
