JASON DRACOBLY,

Respondent.

No. 14-2-00621-1

**DECLARATION OF
DAVID HALLER**

I am DAVID HALLER, and I am making this Declaration in Support of Respondent JASON DRACOBLY.

On October 31, 2014, at approximately 2:30 p.m. I was visiting at the Court Complex located at 2000 Lakeridge Drive, SW, Olympia, Washington. I am a retired law enforcement officer. I served with the Thurston County Sheriff's Office for twenty-two (22) years. I was visiting in the Courtyard with several former law enforcement friends when I observed Lisa Dracobly walk up, stop and wait until I was done visiting. Obviously, we used to work together.

She greeted me and wanted to know how I was doing and how my family was. I visited with her briefly at which time she took up the conversation. She started by saying she didn't

1 think I knew about her separation with her husband Jason Dracobly, whom I know well. I was
2 aware they were going through a divorce but I didn't let her know that. She went into a long
3 dissertation telling me that Jason had gone "off the hook," held her against her will, wouldn't
4 stay in contact with his son, only saw him one day a week and so on. She went on to say she
5 had a two (2) year restraining order against him. She continued to say that he broke the order
6 constantly and the Mason County Sheriff's Office and the Shelton Police Department would do
7 nothing about it but treat her like a criminal. She said Law Enforcement had taken all of his
8 guns and locked them up and by court order would keep them for two more years. She went
9 on to say that Jason emptied out all of their bank accounts, wouldn't pay child support and she
10 was broke because of living from pay check to pay check. She said as soon as the divorce
11 papers were filed, Jason hooked up with his new girlfriend one day after the filing.

12
13 I tried to leave but she just kept talking, all negative directed towards Jason. I told her
14 that I was sad to hear this and that she should be strong and know there were better times ahead
15 as time passes. She kept on, and I left on foot as she continued to try to pass more information
16 to me directed to me about Jason and how bad he was.

17
18 I DECLARE UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE
19 STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT.
