**Declaration of (name):** Kattlyn Dey

1. I am (age): 24 years old and I am the (check one):  Petitioner  Respondent

Other (relationship to the people in this case): Friend

2. I declare: I have spent time around Laura multiple days of the week for the past ten weeks. Laura is consistently with her children and extremely

attentive to their needs pertaining to both physical and mental health. She is always around her children when I have seen them and consistently asks

them what they need and accommodates to the best of her ability. This includes making sure they are well-fed and get all of the foods and nutrients

they need to stay healthy. She is consistently finding ways to support her kids when they are crying or upset and does a phenomenal job calming

them down and making sure their mental health is the best it can be. I have seen her work with her kids on art projects and promptly cleans them up

if they get paint on them. She makes sure they have plenty of child-safe toys to use. She understands the importance of her children's personal effects

and makes sure they have what they need and that their belongings stay together and can be given to them whenever needed. She gives them

compliments and allows for them to share stories and tap into their creativity. She keeps the kids well clean. If they are playing outside she makes

sure they have access to necessary hygiene resources to stay clean and healthy. She also keeps her van where she stays super tidy and makes

sure the children have a clean and comfortable space to be in. Laura, overall, is one of the best parents I have ever met. She is extremely passionate

about her children and shows them so much love. This is evident through interactions I have had with her kids. They love her a lot and always talk

about how great she is. Laura is doing everything she can to make sure her children's lives are enriched. She goes well above and beyond providing  
basic needs. Despite obstacles faced by poverty, which is out of her control, she is a super attentive and loving mother. She does a lot of work to make  
sure she gets the financial assistance her family needs and does a good job conserving funds to make sure the kids are not left behind.  
I have nothing but good things to say about Laura.
