No. 21-4-00443-34

Declaration of

(DCLR)

Declaration of (name): Joshua Daniel Buckley

- I am (age): 31 years old and I am the (check one): Petitioner Respondent
 Other (relationship to the people in this case): Neighbor
- I declare: I have known Selena since this last winter due to the volunteer work that

I do. In that time I have never once had concern for the safety of her children. Selena is a caring
passionate mother. I have never seen Hazel, Onawa, or Raven to go without the
care required for young children. They are inquisitive, creative, and happy, they
very clearly love their mother. In my opinion it would be a grave disservice to
separate them. I come from a family that fostered children and a family of mandatory
reporters, I am familiar with what it looks like when a child is in distress due to abuse.
I have seen no evidence of such and in fact the opposite.
