Superior Court of Washington, County of Thurston

In re:

Petitioner/s (*person/s who started this case*):

Hans and Katherine Stoker

No. 21-4-00443-34

Declaration of

(*name*): Jonathan Robert Moore

(DCLR)

And Respondent/s (*other party/parties*):

Hazel Belle Ursa Smith, Onawa Kachina Smith-Wells,
Raven Gaia Shenandoah Smith-Wells

Declaration of (*name*): Jonathan Robert Moore

1. I am (*age*): 25 years old and I am the (*check one*): Petitioner Respondent

Other (*relationship to the people in this case*): Advocate

2. I declare: I have spent the last three months volunteering at Laurelhurst Park. I have seen Selena and

her three children acting as a family should. Not only are they well fed, clean, happy, and as safe as

any child should be, they are also immensely loved by their mother. Selena has shared the horror stories

of her past relationship and I would say, as a former elementary school teacher, that the children are in

a safer environment being away from abuse and those who sympathize with abusers.

Putting these young children through the trauma of being peeled away from their mother is irresponsible

and harmful. I implore the powers that be to reunite this happy and loving family as soon as possible.

Selena is a truly exceptional parent. She does everything in her power to ensure her children are happy,

healthy, and fulfilled. She provides all of the love and support they need to learn and grow

into well-rounded adults.
