00:06:07 MISC [1C38](#) [Comment:](#)Salina is having issues with her ex boyfriend. They have separated and he continues to go back to the residence to try to get some of his things which Salina doesn't appreciate. Her ex "moved out" last Thursday and has residency at the address. His current behaviour is concerning to Salina. I advised her she consider a protection order and custodal hearing given they have a child together. No crimes reported, Salina just doesn't like where her ex has been taking their child and wanted advice on how to proceed. I also advised Salina she doesn't have a right to deny her ex access to the residence.
