21:37:23 MISC [1C26](#) Comment:Selena and Jim's relationship is not working anymore and Selena wants him out of the home. I explained to her that they both have rights to the property and outside of a court order or civil eviction, neither party can be removed from the property. Her parents live next door but are elderly and she is sick and does not want to place them in jeopardy.

21:37:31 SELECT

21:38:32 MISC [1C26](#) Comment:Spoke to both parties on the phone who stated nothing was physical. Jim sounds as if he is intoxicated and began rambling. I encouraged both parties to stay seperated for tonight and advised Selena to call and speak with the court tomorrow to see how she can obtain an order given her current health condition.
