00:25:28	MISC	1B48 Comment:Spoke with James who expressed concerns about his ex-girlfriend coming over tomorrow and potentially taking their two shared children. James said they got into a fight a month ago and she left but claimed she will come over tomorrow 11/12/2020. James said she hadn't been making any threats or was violent, but claimed she has been acting crazy and he's concerned she may try and take the children. James advised to contact family court in the morning about getting sole custody or pursuing a protection order if he felt it necessary. James expressed concern about her coming over but was told she has a right to see her children unless there is an order preventing her from doing so.
