20:46:24 MISC [1B33](#) [Comment:verbal argument over allowing Selena into the residence. I advised to both parties that Selena has residency and is allowed to be there, even if the property owner no longer wants her there. James expressed obvious frustration, but understood. Selena appeared to just become annoyed when I told her she was allowed to be there. I advised both parties to stay away from each other so it no longer escalates, both parties stated they would. verbal only, both advised nothing physical](#)
