14:37:40 MISC 1B29 Comment:Kathryn didn't think her daughter had a copy of the order to be served. I came towards town
 to get service on my computer and she was going to call her daughter to find out. I've called her back multiple
 times and no answer.

16:10:07 MISC 1B29 Comment:I received the order from Lacey but was unable to get it printed. Kathryn said the order was
 just issued and there are competing orders. She told me there was no urgency or anyone in danger. She said
 it had been sent to the sheriff's office for service. She said next week service would be fine. Due to the
 confusion of all this it would be best to have the civil department serve it.
