Pursuant to RCW 4.12.050, the undersigned attorney or party by this notice disqualifies Judge **Indu Thomas** as to any further proceedings in this case. The undersigned certifies that the party filing this notice of disqualification has not disqualified another judge in this same case and that the disqualified judge has not made any discretionary rulings in this case presiding as judge that would prevent disqualification. Even though they may involve discretion, the following actions by a judge do not cause the loss of the right to file a notice of disqualification: arranging the calendar, setting a date for a hearing or trial, ruling on an agreed continuance, issuing an arrest warrant, presiding over a criminal preliminary proceeding under CrR 3.2.1, arraigning the accused, fixing bail, and presiding over juvenile detention and release hearings under JuCR 7.3 and 7.4.
