1C41 Comment:Spoke to John on the phone. He kept rambling on and on about things that were not relevant.
 He claims that Robert Kurtz who is with NJ Division of Children and families. He is claiming Robert is not an
 officer and he is doing fraudulent things. I advised him since the incident happened in NJ he would have to
 call them. He kept rambling on and on again. He was talking about the welfare check I had done in April. I told
 him anyone can do a welfare check. Then he started talking about Robert getting into his daughters bank
 account and tracked where she was. I have an email from Robert saying the children were located and
 brought back to their grandparent. He once again said he wanted a police report and I told him since the
 incident happened in NJ then he would have to call them. He said everyone he spoke to said to call a
 different agency. even told me his daighter stopped living at 76th ave since Nov of last year. Robert was
 frustrated and requested to speak to a supervisor.
