**The Court has considered all available facts and finds and orders as follows:**

☐ Defendant is released without conditions.

☒ Defendant is released with the conditions identified on page 2 of this order.

The Court finds that release without conditions is not appropriate because:

☒ It will not reasonably assure the presence of Defendant when required.

☐ There exists a substantial danger that Defendant will commit a violent crime.

☐ There exists a substantial danger that Defendant will seek to intimidate witnesses or otherwise unlawfully interfere with the administration of justice.

The Court finds that the imposed conditions are the least restrictive that will address the above finding(s).

☐ In addition to other conditions, Defendant is subject to money bail. See page 2.

The Court finds that no less restrictive condition than money bail is sufficient to address the above findings.

☐ Defendant's release is delayed for 24 hours because the Court finds:

☐ Defendant is intoxicated and immediate release will jeopardize their safety or that of others.

☐ Defendant's mental condition is such that evaluation by a mental health professional is appropriate.

☐ Defendant is held in custody until further order.

The Court finds that Defendant is **NOT** entitled to bail because:

☐ Charge is capital crime and the proof is evident or the presumption great; OR

☐ Charged crime is punishable by possibility of life in prison and clear & convincing evidence supports that Defendant's propensity for violence creates a substantial likelihood of danger to community or persons; OR
