My name is Alejandra Hamblin, age 30, resident of Rochester Wa. I run the farmboy with my spouse, Brian Robbins. During these covid times, we have continued to follow all health guidelines such as mask, temperature check before shift and cleaning everything when it has been touched. We have a glass protecting customers in the drive thru and at the register when they pay inside for their food to go. Our blinds are down so people do not come inside for dining but only to pay for food. We have not had any traces of covid in the restaurant and all our employees have not had covid.
