I did not know who was in the motorhome, we didn't recognize it. My great nephew was outside with his great grandma. She recognized Tad in the driver's seat of the motorhome and told my great nephew to grab the dog and go in the trailer and locked the door where I was. Tad got out of the motorhome walked around the gate looking around for a place to park his motorhome and get around the gate. Tad went back into the motorhome and pulled out a 3-foot sword and came up to the porch but did not come up to the door like he did Friday. Tad was mumbling but I could not hear, I was on the phone with 911 and my great nephew was scared to death and praying to god. RE: Kathy Huestis D.O.B 6/23/62

Dear Ms. Huestis,

As a response to your request I am writing a brief statement regarding my therapeutic work with Kathy Huestis and her present diagnosis and situation.

I have had two sessions with Kathy one on April 29th, May 7th, and May 20th, 2020. She has reported feeling threatened and harassed by her ex-partner who she has a no contact order in place with through Lewis County Court.

Diagnostically, Kathy presents with Post Traumatic Stress Syndrome from a history of abuse and domestic violence. She also presents with Anxiety Disorder and Major Depression. There is some question as to her possibly being on the Autism Spectrum, but further assessment is needed to make this determination.

The current situation of having her ex-partner repeatedly harassing her by driving up to her property and parking is exasperating her symptoms and making her increasingly fearful-to the point of being afraid to leave her house or property.

She will continue services with me at this time.

I hope this information is helpful. If you have any questions or concerns please do not hesitate to contact me.

Sincerely,

Deborah Darnell MA, MFT, LMHC, CMHS, CSOTP
