No. 19-2-00710-21

Petition for Renewal of Order for
Protection
(PT)

1. The Order for Protection dated July 15, 2019 will expire on
(date): July 15, 2020

2. I want to renew the Order for Protection because: He is still trying to chase me off the property. Also it seems things go missing on property when I go to town. He retraumatizes me to try and scare me off during all times. If not continued he will come to property and harm me in some way. He also approaches mutual friends of my son's to say things making it not third party.

3. I want this order to remain effective longer than one year because the respondent is likely to resume acts of domestic violence if the order expires in a year.

I certify under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.
