Motion to Modify/Terminate Order for Protection

Petitioner
 Respondent (Order Lasts Two Years or Less)
(MTAF)
(Clerk's Action Required)

I am the Petitioner.
 I am the Respondent. The order identified below was granted for a period of time for two years or less. I affirm that I have not filed any motion to modify or terminate this Order for Protection within the past 12 months.

(Respondent: if the order lasts more than two years, do not use this motion. Use form DV 7.050, Respondent's Motion to Modify/Terminate Order for Protection Effective More than Two Years.)

I request that the court modify terminate the:

- Temporary Order for Protection, filed on _____ (date).
- Order for Protection, filed on February 26, 2021 (date),
which expires on _____ (date).
- _____, filed on _____ (date).

The order referenced above should be modified/terminated because: I do not feel my husband is a threat to me or my daughter. My daughter really needs him in her life. I felt my mother ~~pressured~~ pressured me into filling the original order and I feel like I have made a mistake. I hope you consider my request so I can at least communicate with him about our daughter's needs.

The order referenced above should be modified as follows:

I declare under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.
