<b>Notes:</b> Jordan took someone's umbrella without permission at recess and was swinging it around in a dangerous manner threatening people. She then came in and went to the bathroom without permission (supposed to go at recess) and has been gone over 10 minutes.

<b>Notes:</b> Jordan painted her face with one of the classroom markers (at recess). I told her not to anymore and that she could wash off at the next recess. Instead she went to the bathroom without permission and drew on her face even more.								

11/21/19, 3:45 PM	Minor	Leah Kochrian	Class	<u>M-Defiance</u>	Avoid task	Peers	Other	No
<b>Notes:</b> Refused instructions and redirection all day (from a sub) Followed another student running in and out of the class, shouting and playing during instruction. Took off shoes and socks and stuck her feet toward others during instruction. Refused multiple redirection to stop. Pulling on the locked teacher cabinet to try and get in. Generally off task all day, often calling out to try and interrupt teaching and trying to distract others to have someone to play with instead of learning.

11/15/19, 12:00 PM	Major	Nicole Ack	Class	Defiance	Ob itm	None	Conf	No
<b>Notes:</b> Mrs. Kochrian had told Jordan she was to miss lunch recess because of her behavior in music this morning. As Jordan tried to go to lunch recess I reminded her and sent her out the other door. I just learned that she snuck out to lunch recess immediately afterwards where after she was throwing a golf ball and despite being told by Ms. Mendelson to put it away was later found to be throwing it again.								
11/15/19, 10:00 AM	Minor	Alicia Paulsen	Plygd	<u>M-Defiance</u>	Ob itm	Peers	Parent	No
<b>Notes:</b> Refused to line up and continued to play after end of recess.								
11/14/19, 12:15 PM	Major	Nicole Ack	Class	Disruption	Unknown	None	Conf	No
<b>Notes:</b> I had to move students away from Jordan because they were complaining that she has repeatedly (and has consistently) trying to engage students in distractions she is involved with and they can't work.								
11/8/19, 8:45 AM	Major	Nicole Ack	Class	<u>Defiance</u>	Avoid task	Peers	Conf	No
<b>Notes:</b> Despite repeated directives to stop pulling out distractions and trying to trade them with nearby students during instruction/work time (which she also does with food), Jordan was giving away bits of slime (which students said she had taken from another student in a different class), and then got mad at me because she said she had traded a doll for it. She is consistently trying to engage other students in trading which is very distracting to everyone.								
11/6/19, 11:15 AM	Minor	Nicole Ack	Class	<u>M-Defiance</u>	Unknown	None	Intruct	No
<b>Notes:</b> Several students reported that Jordan intentionally threw her lunch tray (along with the food) in the trash can at clean-up time, then walked away from it.								
10/29/19, 10:15 AM	Major	Nicole Ack	Café	Theft	Ob itm	None	Conf	No
<b>Notes:</b> When we came back from the lunch line several students reported that Jordan had "stolen" a lunch, going into the lunch line and taking various things though she didn't get a lunch card.								
10/21/19, 11:15 AM	Major	Nicole Ack	Class	Disruption	Unknown	Peers	Conf	No
<b>Notes:</b> Not 30 seconds after directing Jordan not to scream in class but rather to use an indoor voice, while still inside and lined up for recess she screeched at full volume right in the ear of the student in front of her. Even though I saw her do so, she denied it and said it was another student.								
10/18/19, 11:00 AM	Major	Nicole Ack	Class	P Agg	Ob p attn	Peers	Conf	No
<b>Notes:</b> Jordan intentionally sneezed on Zach, removing her arm from her nose and aiming for his face. Her sneeze got in his eye. I told him to go wash his eyes out. This is part of a problem of not managing bodily functions appropriately. Yesterday during lunch she was intentionally burping loudly and frequently. But sneezing on someone is actually endangering their health.

She then started screaming and disrupting the class and left. I had to call the office. Soon after she was returned by staff she left class without permission and was reported to be in the bathroom playing. An adult was called and she was found standing on a shelf.

**Notes:** A teacher gave me a math journal found outside on Friday afternoon. I asked all of my students and the only one without a book was Jordan. She said she had brought it home and that it was in her bedroom. Her mother had previously told me she was at home during the day and nearby and so I called in the hopes that she could bring it in by math time, but her mother said she had checked her backpack and no book. Jordan at first lied to me when I showed Jordan the book and said it wasn't hers.
