Considerations for Remote Hearings:

Remote hearings are just like attending court in person.

Who can attend:

- Witnesses may be placed in a separate location until it is time for their testimony.
- No one may speak during the hearing unless requested to do so by the judicial officer; no one present with you as a support can tell you what to say to the court.
- **Observer:**
 - a. You are required to identify yourself only as Observer when logging in (i.e. OBSERVER) by renaming yourself.
 - b. If you are with an organization, put your name and name of organization (i.e. Jane Smith/The Olympian)
- All audio, video, and pictures are to be turned off for the entire calendar.
- Not following these guidelines or any inappropriate or disruptive behavior may result in immediate removal from the hearing.

Required:

- Everyone must dress appropriately and act respectfully during the time they will spend in the remote courtroom;
- Mute your microphone unless you are asked to speak;
- Follow judicial officer's stated rules or you may be removed from the hearing;
- If you are joining by video, make sure to have your full name by right clicking on your video and selecting "rename";
- DO NOT have any pictures of yourself or anything else on your video;
- Do not use the chat function unless you are having audio difficulties and need to advise that you cannot hear or that you are not being heard when you speak.
- The court makes a record of all hearings. You may not record any part of any hearing without permission of the court at the hearing.

If Possible:

- Avoid moving your camera and making quick movements;
- Find a quiet space;
- Have a plan to call into the hearing in case you have technology problems;
- Be aware of your background and what is showing in your video display;
- Close out other applications and create distance from other devices to avoid interference with reception;
- Login five minutes prior to your hearing start time.

JOIN BY TELEPHONE IF:

- You do not have a microphone or speaker on your PC/Mac,
- You do not have a smartphone (iOS or Android), or
- You cannot connect to a network for video or computer audio.
