This Writ attaches a maximum of twenty-five percent of the Defendant's disposable earnings (that is, compensation payable for personal services, whether called wages, salary, commission, bonus, or otherwise, and including periodic payments pursuant to a nongovernmental pension or retirement program).

Calculate the attachable amount as follows:

Gross Earnings: \$2,418.80      **\*\***(1)

LESS deductions required by law (social security, federal withholding tax, etc. Do not include deductions for child support orders or government liens here. Deduct child support orders and liens on line 7): \$613.62      **\*\***

Disposable Earnings (subtract line 2 from line 1): \$1,805.18      **\*\***

Enter seventy-five percent of line 3: \$1,353.89      **\*\***

Enter one of the following exempt amounts\*: \$     549.79\*     (5)

If paid: Weekly: \$ 253.75  
Semi-monthly: \$ 549.79  
Monthly: \$1,099.58

\*These are minimum exempt amounts that the Defendant must be paid. If your answer covers more than one pay period, multiply the preceding amount by the number of pay periods and/or fraction thereof your answer covers. If you use a pay period not shown, prorate the monthly exempt amount.

\*\*This answer refers to the last pay period and is only an estimate. This writ will run 11/1/2022 through 12/31/2022.

Subtract the larger of lines 4 or 5 from line 3: \$451.29      **\*\*** (6)

Enter amount (if any) withheld for ongoing government liens such as child support: \$0.00      **\*\*** (7)

Subtract line 7 from line 6. This amount must be held out for the Plaintiff: \$451.29      **\*\*** (8)
