This declaration is made by:

Name: Carolynn J. Finnegan

Age: 82

Relationship to the parties in this action: Mother of Gretchen L.
Jacobs

I declare,

I started receiving telephone calls at my home from George R. West on 06-26-2017. He informed me that my daughter Gretchen had packed her things and left without leaving a note. He stated that he was very concerned for her welfare. He asked if I knew where she was going to which I replied no.

Later that day I heard from Gretchen at which time she informed me that she had left due to abuse, was frightened for her life and that George had been arrested. Gretchen then returned to their residence to retrieve the guns that he possessed. Gretchen stated that she had retrieved all but two and took them to the Sheriffs Dept.

Then beginning on the 27th I started receiving multiple calls from George. He was crying,

and stated that he could not handle being in jail. He begged me to try and contact Gretchen, and plead with me to get her to drop all charges against him. I asked George if he had done any of the things that Gretchen had stated, to which he answered that he might have, but couldn't remember. He stated that he had hired an attorney at which time he provided me his name and phone number. I did call the attorney and the attorney requested that I ask Gretchen to drop all charges, in writing. I did inform Gretchen of the request made by George and his attorney.

I started receiving multiple calls from George on the 28th. He was very upset and said that unless Gretchen dropped all charges, he was a dead man because of the things she had said and that he could not go to jail. He stated that he would just kill himself before the end of the month. He continued to get louder and more angry and so I hung up on him.

He continued trying to reach me and I finally stopped answering the telephone.

After receiving his multiple calls, some threatening, and stating that he was going to commit suicide, I have been very alarmed and in fear for my daughter and myself.

Multiple horizontal lines for writing.

(Attach additional single-sided pages if necessary and number them. Use form DVSTMT, Statement.)

I certify under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.
