County of Kitsap

In re:

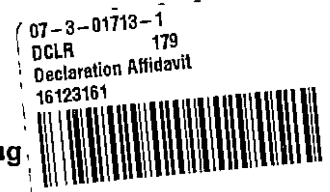

Petitioner
Heather Wood

Respondent
Lenard Feulner

No. 07-3-01713-1

Declaration of Lenard Feulner re:
Withdrawal of Petition and seeking
consolidation of the pending
modification action

My name is Lenard Feulner, I am the Respondent in this action. I write this response in regards to the Petitioner's motion to withdraw her petition. For the sake of judicial economy, I ask that the court consolidate the Petition to Establish a Parenting Plan with my Petition to Change a Custody Order. This will ensure that the GAL and the child's attorney can continue in their supportive roles and the trial date of March 12, 2024 can remain on the docket. On or about February 13, 2024 I filed my Petition for Modification of the custody order entered on December 24, 2007. That order stated that the mother, Heather Wood be designated the custodian of the child and that the child shall reside with her. I am asking the court to modify this language and designate me the custodial parent and have the child reside primarily with me. I will be filing a motion for adequate cause once I have had the Petitioner served.

Should the Petitioner for Parenting Plan be dismissed, which I don't believe is the best remedy here, I ask that the court continue on the same track and appoint Nancy Tarbel as Guardian ad Litem and Kerry Stevens as our daughter's attorney.

I declare under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.
