### **I Identity of the Parties & Jurisdiction**

COMES now, Heather Wood, pro se of necessity, w/o counsel, under protest, indigent, in Forma Pauperis to make the Objections noted here, serve notice disqualifying judge Adams under RCW 4.12.050, and seek the following relief:

### **JURISDICTION & VENUE**

While the instant cause # would have been properly within Kitsap County's Family Court subject matter and in personum jurisdiction due to the minor child's birth and both litigants' residency in Washington State, the Kangaroo unlawfully held impromptu hearing on 8-15-23 before Commissioner Clucas, without a scintilla of due process after the regularly scheduled MTSC hearing was disposed of and Lenard Feulner's motion dismissed, bars jurisdiction and authority when it failed to meet even the most minimal procedural mandates subsequent to luring the parties back into the courtroom with NO notice in collusion with two non-participating attorneys (Williamson & Yelish) who observed a commotion/altercation between Heather Wood, mother, and Adeline, her child, OUTSIDE the courtroom in the hallway/lobby where it ensued-extrajudicially
