Considerations for Remote Hearings:

Remote hearings are just like attending court in person. **Who can attend:**

- Witnesses may be placed in a separate location until it is time for their testimony.
- No one may speak during the hearing unless requested to do so by the judicial officer; no one present with you as a support can tell you what to say to the court.
- **Observer:**
 - a) You are required to identify yourself only as Observer when logging in (i.e. OBSERVER) by renaming yourself.
 - b) If you are with an organization, put your name and name of organization (i.e. Jane Smith/The Olympian)
- All audio, video, and pictures are to be turned off for the entire calendar.
- Not following these guidelines or any inappropriate or disruptive behavior may result in immediate removal from the hearing.

Required:

- Dress appropriate.
- Mute your microphone unless you are asked to speak.
- Follow judicial officer’s stated rules or risk being removed from the hearing.
- DO NOT have any pictures of yourself or anything else on your video.
- Do not use the chat function unless you are having audio difficulties and need to advise that you cannot hear or that you are not being heard when you speak.

If Possible:

- Avoid moving your video or quick movements.
- Find a quiet space.

DO NOT RECORD ANY COURT HEARINGS

The Court keeps a record of all proceedings. Do not record any court proceedings. You can order transcripts or copies of the hearing from the Court. If you would like to order a copy of the record or a transcript of the proceeding, information can be found on the Court’s Website:
