Subject: RE: NOTICE of Exhibit 1 Video of Adeline in Case #23-2-01534-18 & 07-3-01713-1

Greetings,

The Return of Service pleadings have been filed; however, please be advised that we cannot "file" your video clips because our case management system is not capable of having video or audio files added to it, and therefore no action will be taken as to those attachments.

Video and Audio recordings need to be offered as exhibits at the hearing in physical form (CD, flash drive, etc.) at the hearing for retention through the remainder of proceedings and any subsequent appeal(s), and the party asking to have such exhibits admitted needs to provide their own device for playing such recordings. Any exhibits admitted or otherwise retained by the court during the hearing will be returned or destroyed at the conclusion of the action and any subsequent appeal(s) per our usual procedures.

Sincerely,

Tricia Croston
