DAVID T. LEWIS III

Superior Court of Washington, County of \_\_

In re:

Petitioner/s (person/s who started this case):

Lenard Feulner

And Respondent/s (other party/parties):

Heather Wood

No. 07-3-01713-1

Motion for Continuance  
(MTC: CR40)

**Motion for Continuance**

**Important!** The person making this motion must ask the court to sign an Order of Continuance) either at a hearing or at ex parte. Contact the court for scheduling information.

1. I am the (check one): Petitioner ☐ Respondent ☒ in this case.
2. ☒ I ask the court for a 30 day continuance for this case because:  
(check all that apply):
  - ☒ I was not served properly and had no time to prepare a response:
  - ☒ I am indigent and have no representation.
  - ☒ There are extreme procedural errors that have denied my being heard and without surprise. I need substantial time to respond as well as object to the reversible errors and seek reconsideration and file declarations. Due to the myriad errors and false allegations, this case has grown complicated needing time to fully address. I was ignorant of the ramifications and should not have consented to the hearing without any time to prepare for it.

**Warning!** If you serve someone by publication only for the reasons listed below, the court may not have personal jurisdiction over that person. This may limit the court's ability to divide property and debts, award money, set child support or spousal support, or approve a restraining order or protection order.

- ✓ The other party has obtained a restraining order which further delays my being able to serve him with notice as required. I need time to receive the audio of impromptu witness testimony/statements..

- ✓ the other party is deliberately difficult to serve. I have made a reasonable effort as described below.

- ✓ Other (explain): An emergency exists inasmuch as the father (Lenard Fedner) interfered AFTER his motion to Show Cause for modification/change of custody was denied on 8-15-23, with my custody of my daughter, Adeline, by instructing her to defy my effort to bring her back to my home,

2-B.3. Give facts that support your statements in section 2 above: creating a scene in the courthouse lobby as a consequence. The commissioner held an impromptu and unscheduled hearing without consent, SWA-sponte, had people making statements pursuant to Adeline rushing into a court room disrupting an unrelated hearing.

- ✓ I was denied access to a witness initially, and denied due process in a surprise hearing deliberately allowed because my daughter manipulated the court.

3. 4. ✓ This father sexually abused/molested my daughter at age 7  
~~List what you did to try to serve the other party.~~ by kissing her on the lips,

What you did	Date you did this	What you learned
Sticking his tongue in her mouth, and rubbing her front and back' private areas.		

- ✓ This father initiated close contact with pitbulls, one of which bit Adeline on her face when she was 5 years old, and younger, ~~and~~ he held her face next to their faces, then blamed her despite his encouraging her to put her face next to his friends' dogs' faces to illustrate how friendly and safe they were. He now facilitates her smoking marijuana, raping, and tattoos.

5. List attempts to serve the other party in person:

What was done	Who did it	Date	What happened
My child is at risk, and has been groomed by this overly permissive parent/father for years... a girl I have dedicated my life to, and nursed for 5 years.			

--	--	--	--
