DECLARATION

I, Griselda Hall, am a U.S. citizen, over the age of 18, and a resident of the State of Washington; that the facts I have provided on this form are true.

My name is Griselda Hall, and I have had the privilege of knowing Heather for the past 8 years and can attest to her unwavering dedication to providing a safe, nurturing and supportive environment for her daughter.

Throughout the years that I have known Heather, I have never witnessed any form of physical, mental, or emotional abuse from her towards her daughter. On the contrary, Heather has consistently demonstrated a deep and abiding love for her child. She has been committed to ensuring that her daughter's needs are met and has gone above and beyond to provide for her in challenging circumstances.

Despite having limited financial resources, she embraced RV living as an opportunity to continue fostering a strong bond with her child. Heather has always been resourceful and creative in making the most of what they had, ensuring her daughter was well-fed, appropriately dressed, and surrounded by love.

One of Heather's outstanding qualities is her commitment to her daughter's personal growth and development. She supported her daughter's interest by enrolling her in automotive classes which led her becoming an accomplished car mechanic while in her teen years. Heather also instilled in her daughter the value of community services through beekeeping and compost collecting for community gardens.

This reflects her dedication to raising a responsible, compassionate and skilled young woman. If there is any further information or clarification required, please do not hesitate to contact me. I am more than willing to provide any assistance that might contribute to a fair and just resolution in this matter. Respectfully, Griselda Hall MAC, LMHC-A Genuine Healthcare of the Pacific Northwest

I declare under penalty of perjury under the laws of the state of Washington that the facts I have provided are true.
