Declaration of Jim Wilson

**DECLARATION**

I, Jim Wilson, am a U.S. citizen, over the age of 18, and a resident of the State of Washington; that the facts I have provided on this form are true.

My name is Jim and I am employed as a Maintenance Technician where I have worked for over 16 years.

I am deeply concerned that Heather's child, Adeline, is in the care of this man, Lenard Feulner, who I worked with at St. Vincent Du Paul in Bremerton, WA. several years ago.

I am witness to his erratic behavior on the job:

Lenard wanted time off of work to go hiking, and axed his own thumb off in front of me at work, quipping "now I get some paid time off." Lenard proceeded to collect public assistance and worker's compensation after getting his thumb reattached.

I met Heather 18 years ago, and later became very concerned when Lenard was taking her baby, Adeline, from her, and that he was even the father with an unsuspecting mother. I shared my concern with Heather at that time, and she agreed that there were concerns of her own, as he presented poor and strange behavioral choices.

Please hear me when I say I am deeply concerned for Adeline's safety within the grasp of her father, Lenard Feulner.
