DECLARATION

I, Dan Cartwright, am a US citizen over the age of 18, and a resident of the State of Washington; the facts that I have provided on this form are true.

I have been a prominent business owner in Bremerton for the past 38 years on Wheaton Way in Bremerton.

I met Heather Wood 24 years ago. She would perform music and songwriter nights, with her dad, Norm, in The Original Rhythm Rockets. I thought she was talented and confident in her performances as I saw her occasionally through the years.

Sometime around 2007 I was aware she had given birth to her only daughter, Adeline. Heather would then bring Ad to Kitsap Music where I worked, and keep me up to date with all the positive activities they were pursuing. I didn't really know Adeline's father.

As a single parent it was hard for Heather to do, but she always seemed to provide special schooling, and activities to benefit Ad. There were music lessons, arts and crafts, and playing instruments such as guitar, ukes, and violin which seemed fun in Ad's hands. She would give me some recent photos they had taken. The years went on.

As the dad of three daughters, I know how challenging the teen years are. I think Heather Wood has provided the love, protection and intellectual frame necessary for Adeline to thrive.

I declare under penalty of perjury under the laws of the state of Washington that the facts I have provided are true.

Signed at (city and state): BREMERTON, WA Date: August 19, 2023
