THE MATTER BEFORE THE COURT: REVIEW

Court- puts history of case on the record.

Respondent- the father encouraged the daughter to act the way she did after the last hearing. Called the ARY people in Thurston county, but they won't talk to mom because she isn't in mom's care. Was supportive of her filing an emancipation petition. Daughter is very independent.

Court- speaks to the parties about the emancipation process and what a GAL in that case will do. Will appoint a Custody investigator in this case to speak with the child, this is an independent person assigned to look at the best interest of the child. Will set a review on October 6th 2023 at 1:30. Settlement conference will be set for October 11th at 1:30. Will keep the status quo until the next hearing.
