MI-EIRIE AGOSTO

Petitioner:

AURAJHIA BAILEY

And Respondent:

MICHAEL JAVON AGOSTO

No. 24-3-02379-7

Declaration of:

(name): KHALILAH BRAYLOCK
(DCLR)

1. I am (age): 47 years old and I am Aurajhia's step mother but I love her like my own daughter.

2. I declare:

Aurajhia Bailey is a very kind-hearted young woman and mother. She is honest (sometimes overly honest) and seeks to help others especially those she loves. As a mother, she is always making sure that her boys have what they need and protects them the best she can from the chaos of life with her ex-boyfriend Michael Javon Agosto. She currently has a stable home through her efforts. She takes them to school and emphasizes the benefits of a good education. Aurajhia is in regular communication with the their teachers. She helps them daily with their homework. When with Aurajhia, the boys are always clean, well-dressed and well-fed.

There were times when Michael has historically been an available parent. However, his

involvement as a present and available parent was not consistent. He is also high-strung; those around him have to walk on eggshells around him. Without warning, he can go left-field. When Michael feels that he has been slighted or that he is right, he goes overboard. Despite times of being a good parent, he has also had times of being unstable to the point of becoming irrational.

Some years ago Aurajhia was at our home for a family event, one that Michael chose not to attend. As the festivities were running late, Aurajhia called him to let him know that she would be spending the night. Ignoring her insistence that she stay the night, he came to our home well past 11:30 p.m. to retrieve Aurajhia. He was belligerent and wanting to "fight." He attempted to assault Aurajhia and we asked Aurajhia to stay with us and not accede to his demands but she left with him, letting us know that Michael would not give in unless she left with him. Her children stayed the night with us. Only when Aurajhia agreed to leave with him, did he calm down and agreed to leave our property.

On another occasion, I received a call from a frightened Aurajhia letting me know that she was being chased down the street by an angry Michael. We met Aurajhia and her brother at the local Walgreens. Apparently, Michael did not like that she was getting to know her brother and tried to separate them with threats of violence and allegations of incest without evidence; it a gross and false allegation meant to intimidate. When we arrived, Michael left shortly thereafter.

Since separation, Michael has called my phone repeatedly from more than one number. He alleged that Aurajhia was trying to keep the children from him. He ranted about other things. Michael enjoys having control over Aurajhia and uses her boys to further control her.

I declare under penalty of perjury under the laws of the state of Washington that the facts I have provided on this form (and any attachments) are true.
