1. I am *(age)*: 44 years old and I am the *(check one)*: ☐ Petitioner ☐ Respondent ☒ Other *(relationship to the people in this case)*: Friend

2. I declare: To whom it may concern,
I have known James Fowler for several years and have had the pleasure of being in the company of him and his daughter Jordan on several occasions. Everytime I have ever been there he has been a loving, concerned, and present parent. Makin's sure that Jordan has had a proper breakfast and all of her requirements/needs met before even worrying about his own needs. He has also shown love and attention to Jordan's brother Jeremiah when he was not required to do →

30. I am the mom of three disabled ~~[illegible]~~ and I being my children around him because he is amazing, patient, and kind especially towards my youngest who is five and can't talk. He has been nothing but a wonderful example of what a caring father should be even & in teaching Jordan by talking to her on her level about what is right and wrong on how we treat others. He is kind, concerned and able to give her the trust that he is on her side and all her feelings are important to him. She has never shown anything but love and trust that James (her father) will never let her down. It takes a true parent to establish that kind of ~~love~~ bond with his child. My own children have no fear of him and enjoy his company. I would leave my boys alone with him in a heartbeat
