In re:

Petitioner/s (person/s who started this case):
Jennifer Lorraine Como

And Respondent/s (other party/parties):
James Warrenn Fowler

No. 19-2-30942-34

Declaration of (name): Ronald E. Holmes
(DCLR)

Declaration of (name): Ronald E Holmes

1. I am (age): 40 years old and I am the (check one): ☐ Petitioner ☐ Respondent
☒ Other (relationship to the people in this case): FRIEND

2. I declare: James Fowler has been a good friend of mine for about five years. I have known his children Jeremiah and Jordan for just about as long. It is my firm belief that James is a great father. He has taught me a lot about parenting which I apply to my relationship with my stepson Elijah. Lessons like patience and support. When the kids play on our yearly camping trips, I

have felt completely secure letting James supervise Elijah. James is attentive and gives the kids healthy and safe guidance. Even when the kids aren't with him he is concerned about their well-being. James is a good role model for all of the kids my stepson included. Jeremiah and Jordan admire James. My experiences with him make me feel confident that it in the best interest of both kids for James to have custody of them. He is a valuable influence on their healthy growth. I hope that you take note of my recommendation for James to have custody of Jordan and Jeremiah.

Sincerely and gratefully,
Ronald Holmes II
