2. I declare: My name is Autumn Petersen I met James Fowler through My husband James petersen 3 years ago Jame fowler is a wondeful Person he is careing, giving and kend he is a great father to Jordan. James is a very Patient father with Jordan when Jordan gets out of line he has a very gentel approach to disiplin he makes eye contact with her and gives her a lessor about boundaries and respect his disiplin approch is always a positive lesson. James has brought Jordan over to our home many times

I consider them a part of our family. James likes to have Jordan around our family So that She can get a diffrent view on how others and herself should behave. James has had trouble in the Past with Jordans behavior it has bothered him to the Point where he has called me for mother advise. Jordan needs James in her life in order to strive. Ive seen Jordan come home from her moms house to her dads, on the first day of her visit her behavior is complete chaotic and by the end of her visit with Jamie fowler she is a totaly different little girl sweet, respectful and much calmer the unfortunate thing is her behavior get right back out of hand as Soon as she goes back to her mom.
